The Blue Masjid reflects the architectural style of both the Ottoman masjid and Byzantine church. Hagia Sofia, a masjid, one of the wonders of the Muslim **architecture**, was also kept in view as a model. The Blue Masjid even today is considered to be unmatched in splendour, majesty and size.

The interior of the masjid at the lower end is lined with more than 20,000 hand-made ceramic tiles in more than 50 different tulip designs. At the gallery level, the design becomes flamboyant with representation of flowers, fruit and cypresses.

The upper part of the interior is **adorned** with blue paint. More than 200 stained glass windows with intricate designs allow natural light to brighten up its interior and the chandeliers further illuminate it with their glow. The decorations include A'yat from the Holy Quran. The floors are covered with carpets.
